# 1. Introduction

This document detailed the results of executing test cases in Test Cases v1.1 (located at [https://github.com/DrexelChatbotGroup/DrexelChatbot/blob/master/docs/DC\\_TestCases\\_v11.pdf](https://github.com/DrexelChatbotGroup/DrexelChatbot/blob/master/docs/DC_TestCases_v11.pdf)) except those that test for support for questions topic about Drexel policies and on-campus dining.

The omitted test cases were testing for features that were not included in this release; as a result they are not in the scope of this execution. All executed test cases passed.
